**GEMINI** (May 21-June 20) Your relationship is a chord formed by the notes of two or more instruments. Music you make with others in groups make happy songs. Relationships come in the form of a duet.

**CANCER** (June 22-July 22) Sharing information is only a very minor aspect of today's communication, which is mostly about the exchange of emotion. You'll be especially good at conveying acceptance and love. Reassurance feels good to give and receive.

**LEO** (July 23-Aug. 22) Your psychic gifts are flowing, and you use them to pull in the more delicious parts of life, including creative expression. Inspiration whispers pure, fresh ideas into your ear. Later, you'll be thanking the muses.

**VIRGO** (Aug. 23-Sept. 22) You bring a sweet energy to every relationship. Whether it's a friendly interaction with a clerk or a conversation with your dearest, you'll raise the level of enthusiasm. You simply join people where they are, then turn things up a notch.

**LIBRA** (Sept. 23-Oct. 23) You'll be so effective because you consider your audience and cater your communication to go right to the heart. Once you get clear the impact you want to have, your creative instincts take over.

**SCORPIO** (Oct. 24-Nov. 21) People don't know what to expect from you, and the

**PISCES** (Feb. 19-Mar. 20) You're not a fighter. When in a tight spot, you go straight to the heart, change the emotional weather around you and draw people in the sunshine.

**TODAY'S BIRTHDAY** (Feb. 14) You'll sync with the rhythms and progress in business, with green lights and pleasure...also logistics, like creativity and pleasure...the opportunity traffic! More highlights, the opportunity your forebearers wanted to a rare return and difficult practices leading to a rare return and victory, and the heady business of landing a deserved position. Sagittarius adore you. Your lucky numbers are: 3, 37, 1, 29 and 16.
